

NOW HIRING – GIS TECHNICIANS

Position Title: **GIS Technicians – 2019 Fire Season**

Employment Type: Full Time Seasonal Contract

Location: Based in Dryden and Sudbury, Ontario

Reports To: Imagery Program Manager

About MAG Aerospace Canada (Formerly Discovery Air Fire Services):

MAG has been active in the Canadian aviation industry since it was founded in 1950 and is a premier supplier of special-mission aircraft. Our company focuses on niche markets within Wildfire Management, Air Charter, Training, and Airborne Imagery. We are a key supplier of Aerial Fire Detection and Airspace Management (Birddog) Services in Ontario and Saskatchewan. In addition, MAG has been providing specialty Court Air Charter services in Northern Ontario for over 30 years. MAG Aerospace is a global leader in manned and unmanned airborne imagery and surveillance operating on 5 continents and 20 countries worldwide. At MAG, we look for individuals who thrive in a high-performance environment where challenges are the norm and success is expected. If this sounds like you, apply today.

Role of a GIS Technician:

GIS Technicians play a critical role in MAG Canada's Fire ISR operation. GIS Technicians work closely with Airborne Sensor Operators to process, analyse and deliver products from wildfires across Northern Ontario and Canada. Based in Dryden, the GIS tech must be self sufficient and capable of multitasking a variety of software packages simultaneously. This is the perfect position for those who thrive in high tempo and dynamic environments.

Pay & Perks:

- Paid training
- Paid accommodations
- Per diems paid when off base
- Retention bonus at end of contract
- Fixed salary, not affected by periods of low activity

Minimum Qualifications:

- GIS Certificate from a Post Secondary institution (College or University)
- Previous remote sensing experience an asset
- Strong GIS skill set with working knowledge of ArcPro
- Programming and scripting abilities considered an asset
- High level of personal initiative with the ability to multi task
- Strong problem-solving skills with high level of technical competence
- Capable of working in a high tempo/high stress environment
- Excellent written and verbal communications
- Can follow complex work flows and operating procedures
- Excellent interpersonal skills and capable of working in a small team environment
- Familiar with maps, datums, coordinate systems, GPS, and possesses basic navigation skills
- Must be prepared to travel on short notice
- Must be prepared to work odd hours during contract period

How to Apply:

Please send your cover letter, along with your resume to careers@magaero.ca

MAG is an Equal Opportunity Employer. We value diversity and encourage all qualified candidates to apply. This position requires access to sensitive Law Enforcement information.
