

NOW HIRING – SEASONAL AME

Job Title: Aircraft Maintenance Engineer (AME)

Employment Type: Full-Time Seasonal Contract

Location: Geraldton Airport (CYGQ), Geraldton, Ontario

Reports To: Director of Maintenance

About MAG Aerospace Canada (Formerly Discovery Air Fire Services):

MAG has been active in the Canadian aviation industry since it was founded in 1950 and is a premier supplier of special-mission aircraft. Our company focuses on niche markets within Wildfire Management, Air Charter, Training, and Airborne Imagery. We are a key supplier of Aerial Fire Detection and Airspace Management (Birddog) Services in Ontario and Saskatchewan. In addition, MAG has been providing specialty Court Air Charter services in Northern Ontario for over 30 years. MAG Aerospace is a global leader in manned and unmanned airborne imagery and surveillance operating on 5 continents and 20 countries worldwide. At MAG, we look for individuals who thrive in a high-performance environment where challenges are the norm and success is expected. If this sounds like you, apply today.

Job Details:

MAG is looking for a full-time, seasonal AME based in Geraldton to support maintenance of its aircraft during the fire season. This position would be from approximately May 1st to September 30th and involve performing snag rectification and scheduled maintenance inspections on the Fire Detection and Birddog aircraft at the Geraldton base. The aircraft to be maintained include the Turbo Commander 690, Aero Commander 500, and Cessna 337 Skymaster. The schedule would be arranged with the successful candidate and days off could be supported by rotating an AME in from one of the company's other maintenance bases. This is a unique opportunity for an AME looking for seasonal work with winters off.

Pay & Perks:

- Wage to be negotiated with candidate and commensurate with experience and qualifications
- Paid Accommodations in Geraldton
- Health and Dental Benefits
- Short-Term and Long-Term Disability Insurance
- Life and AD&D Insurance
- Group RRSP with % Company Matched Contributions

Minimum Qualifications:

- Valid Transport Canada M1 License
- 3-5 years' experience on a commercial aircraft, an asset
- Proven track record of success working on complex assignments requiring considerable judgment, initiative and technical/specialized knowledge
- Able to obtain a positive Security Clearance
- Able to work well in a team and within a fast-paced environment
- Strong problem-solving abilities
- Able to work independently with minimal supervision
- Valid Driver's License

To Apply:

Please send your cover letter, along with your resume to the attention of Kristen Wright via kristen.wright@magaero.ca in our Human Resource Department no later than April 15, 2019.

MAG Aerospace is an Equal Opportunity Employer. We value diversity and encourage all qualified candidates to apply.
