

Position: **Flight Instructor**  
Employment Type: Full-time  
Location: Sudbury, Ontario  
Reports To: Chief Flight Instructor

MAG Aerospace Canada (MAG) is actively recruiting Flight Instructors to join our team. We require one full-time year-round position and multiple contract position for our upcoming Air Cadet contract starting in July.

**About MAG Aerospace Canada (Formerly Discovery Air Fire Services):**

MAG has been active in the Canadian aviation industry since it was founded in 1950 and is a premier supplier of special-mission aircraft. Our company focuses on niche markets within Wildfire Management, Air Charter, Training, and Airborne Imagery. We are a key supplier of Aerial Fire Detection and Airspace Management (Birddog) Services in Ontario and Saskatchewan. In addition, MAG has been providing specialty Court Air Charter services in Northern Ontario for over 30 years. MAG Aerospace is a global leader in manned and unmanned airborne imagery and surveillance operating on 5 continents and 20 countries worldwide.

**Your Responsibilities:**

- Conduct in-flight and ground school instruction
- Accurate completion of company paperwork including Daily Flight Records and Pilot Training Records
- Scheduling and billing of students as required.

**Your Qualifications:**

- Class 1, 2, 3, or 4 Flight Instructor Rating with valid Category 1 Medical
- Previous experience flying a C172 would be a definite asset
- Composure to handle a fast-paced work environment with tight deadlines
- Ability to work independently and manage multiple priorities
- University or College aviation degree/diploma would be an asset
- Previous experience with Air Cadets either as an instructor or student would be considered an asset

**Why join MAG Aerospace Canada?**

In addition to a competitive remuneration package, a career at MAG Canada gives you the opportunity to participate in a unique and dynamic training environment focused on safety, entrepreneurship, innovation, and teamwork. Previous instructors have advanced within the Company to fly in our Fire Detection division, as well as moved on to fly our King Air fleet as a First Officer in our Charter division.

***Our company hires roughly 15-20 new Cessna 337 pilots each spring for our Fire Detection and Imagery programs which offers a great career advancement opportunity for our Flight Instructors.***

Those who currently hold a commercial licence and have started their flight instructor rating, or who want to peruse an instructor rating are also encouraged to apply.

Please send your cover letter, along with your resume to [careers@magaero.ca](mailto:careers@magaero.ca).

MAG Aerospace Canada is an Equal Opportunity Employer. We value diversity and encourage all qualified candidates to apply. This position requires access to sensitive Law Enforcement information and a background check.
