

Position Title: Aircraft Maintenance Engineer (AME)
Employment Type: Full-time, Permanent & Contract
Location: Sudbury

MAG Aerospace Canada is currently accepting applications for licensed Aircraft Maintenance Engineer(s) for our Sudbury base location. Aircraft maintenance engineers are responsible for ensuring the aircraft operates properly and safely. This job entails assessing and handling repairs, performing regular inspections, and updating aircraft as needed.

The salary is commensurate with experience and qualifications.

Your Responsibilities:

- Maintain the aircraft in accordance with applicable airworthiness standards and OEM instructions
- Carry out maintenance, repair and daily inspection of the company aircrafts as detailed in the company Maintenance Policy Manual
- Complete and certify work reports for all work accomplished on the aircraft
- Follow company procedures as per the Maintenance Policy Manual using safe work practices

Your Qualifications:

- Valid Transport Canada M1 License
- Valid Driver's License
- 3-5 years' experience on a commercial aircraft
- Piston and turboprop experience is an asset
- Proven track record of success working on complex assignments requiring considerable judgment, initiative and technical/specialized knowledge
- Able to work independently with minimal supervision
- Willingness to work shifts including evenings
- Some travel may be required

About MAG Aerospace Canada:

MAG has been active in the Canadian aviation industry since it was founded in 1950 and is a premier supplier of special-mission aircraft. Our company focuses on niche markets within Wildfire Management, Air Charter, Training, and Airborne Imagery. We are a key supplier of Aerial Fire Detection and Airspace Management (BirdDog) Services in Ontario, Quebec and Saskatchewan. MAG Aerospace is a global leader in manned and unmanned airborne imagery and surveillance operating on 5 continents and 20 countries worldwide.

Please send your cover letter, along with your resume to careers@magaero.ca.

Please note only applicants selected for an interview will be contacted.

MAG Aerospace Canada is an Equal Opportunity Employer. We value diversity and encourage all qualified candidates to apply.
