

Position Title: Aircraft Maintenance Engineer (AME)

Employment Type: Full-time, Permanent

Location: Dryden, ON

MAG Aerospace Canada is currently accepting applications for a licensed Aircraft Maintenance Engineer for our Dryden location. Aircraft maintenance engineers are responsible for ensuring the aircraft operates properly and safely. This job entails assessing and handling repairs, performing regular inspections, and updating aircraft as needed.

The salary is based on experience and qualifications.

Your Responsibilities:

- Maintain the aircraft in accordance with applicable airworthiness standards and OEM instructions
- Ensure that all components installed on aircrafts are properly certified
- Carry out maintenance, repair and daily inspection of the company aircrafts as detailed in the company Maintenance Policy Manual
- Adhere to the Safety Management System Policy
- Follow company procedures as per the Maintenance Policy Manual using safe work practices

Your Qualifications:

- College diploma in Aircraft Maintenance from a Transport Canada approved educational institution
- Valid AME license (M1, M2)
- Preference will be given to candidates with piston and turboprop experience
- Able to work independently with minimal supervision
- Willingness to work shifts including evenings
- Some travel may be required

Why join MAG Aerospace Canada?

You have the opportunity to participate in a unique and dynamic training environment focused on safety, entrepreneurship, innovation, and teamwork. A career at MAG Canada includes:

- Competitive pay scale
- Generous health benefits package including Short and Long-term Disability Insurance
- Paid sick days
- Group RRSP with % Company Matched Contributions

Please send your cover letter, along with your resume to careers@magaero.ca.

All qualified candidates are encouraged to apply; however, preference will be given to applicants who are legally entitled to work in Canada. All applicants who accept an offer of employment will be required to provide confirmation of full vaccination status of COVID-19.

MAG Aerospace Canada is an Equal Opportunity Employer.
We value diversity and encourage all qualified candidates to apply.
